

Information Reporting & Withholding Tax Services

Taking the complexity out of compliance

At KPMG LLP (KPMG), we come to work every day because we are passionate about solving the business challenges that keep you up at night. The more than 30,000 partners and professionals who make up KPMG—part of the KPMG International network that has approximately 200,000 partners and professionals—have a rich understanding of the realities of your industry because they have been there themselves. Considered some of the best and brightest in their fields, our people work directly alongside companies of various shapes and sizes, in all 50 states, to pinpoint and deliver practical, customized business services with real results.

Professionals in KPMG's Information Reporting & Withholding Tax Services practice offer a wide range of information reporting consulting services and technology solutions to help financial services entities and multinational companies comply with U.S. and foreign withholding requirements and reporting regimes. By actively working with KPMG International member firm partners and professionals around the world, we can advise you on the application of local country rules and procedures while helping you implement a consistent global approach.
